

Adams Morgan Partnership

The Adams Morgan Partnership is a nonprofit organization focused on enhancing the quality of life for businesses, commercial property owners, residents, visitors, and employees in the District of Columbia’s most vibrant and eclectic neighborhood. The Partnership provides daily street cleaning, fun neighborhood events, and creative marketing and economic development initiatives. Adams Morgan is world-renowned for its fantastic restaurants and nightlife, colorful retail stores and historic, tree-lined residential streets.

History of the Name

The name “Adams Morgan” originated with two formerly segregated elementary schools: the all black Thomas P. Morgan School and the all white John Quincy Adams School. When schools in the District of Columbia were desegregated in the mid-1950s, the principals of the two schools came together with the community to create the Adams-Morgan Better Neighborhood Conference. The name was eventually adopted to represent the whole neighborhood.

Our Annual Event Calendar

The Adams Morgan Partnership produces events that bring thousands of visitors into the neighborhood each year. Our spring Movie Nights series averages 400-500 guests per film and our 2019 PorchFest music festival featured 58 musical acts at 17 locations bringing thousands and thousands of people out to enjoy the music. Here are a few of our signature events hosted throughout the year:

- Date Nights** February-March
- Movie Nights** Tuesdays, May - June
- Porchfest** First Saturday in October
- Apple Festival** Late October

Our Security Program

The Adams Morgan Partnership works closely with the Metropolitan Police Department (MPD) to ensure all visitors and residents feel safe in the community. Violent crime and property crime have steadily decreased through the efforts of our reimbursable detail officers (RDOs) who work on Friday and Saturday evenings, and our Safety Ambassador who works from noon to 8pm, Wednesday through Sunday. Our Security Director oversees the RDO program.

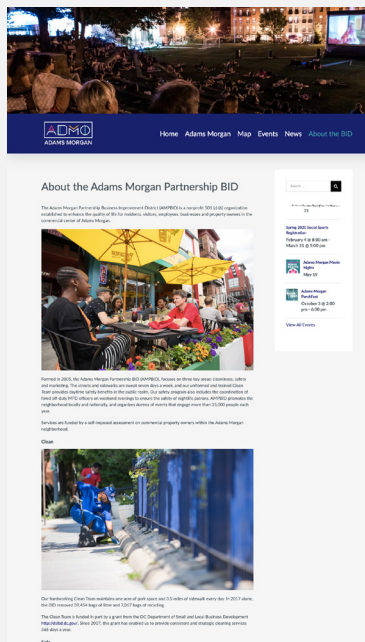

Our Clean Team

Our clean team works 7 days a week, 365 days a year, including holidays and in inclement weather. In 2019 they removed over 100 tons of recycling and almost 500 tons of rubbish from the neighborhood. In addition to trash collection, they collect bulk trash, maintain flower beds, remove graffiti and stickers, and water our trees. They also submit service requests into the DC311 system for streetlight repairs, potholes, sidewalk repairs, and other infrastructure needs.

Our Website

Our website at admodc.org features an interactive map of neighborhood businesses, a calendar of events (including community-submitted events), and detailed information about the Adams Morgan Partnership including our press releases and an archive of our bi-weekly newsletter.

Our recently relaunched website includes an interactive map to help residents and visitors find businesses.
