Make Your Own #HolidaysInAdMo Display!

ribbon

Instructions:

1. Cut out the whole shape along the grey lines.
2. Crease the paper at the dashed lines.
3. Fold together, tucking in and taping the tabs.
4. Cut out the strip for the ribbon and loop it over so the two ends are back-to-back. Staple or tape the two ends and then attach to the top of the box.
