

Adams Morgan Partnership BID

THE ADAMS MORGAN neighborhood is world-renowned for its remarkable restaurants, nightlife, and a variety of local, independent businesses. Since 2005, the Adams Morgan Partnership BID has supported this vibrant neighborhood through these areas: cleanliness, safety, marketing, and events.

History

The name “Adams Morgan” originated with two formerly segregated elementary schools, the all black Thomas P. Morgan School and the all white John Quincy Adams School. When schools in the District of Columbia were desegregated in the mid-1950s, the principals of the two schools came together with the community to create the Adams-Morgan Better Neighborhood Conference. The name was eventually adopted to represent the whole neighborhood.

Events

The Adams Morgan Partnership BID produces events that bring thousands of visitors into the neighborhood each year. Our spring Movie Nights series averages 500-1,000 guests per film and our twice-yearly PorchFest music festival features over 70 musical acts at 20+ locations bringing up to 50,000 people into Adams Morgan to enjoy the music and support our local businesses. A sampling of our signature events throughout the year include:

Date Nights	February - March
AdMo Art Walk	Throughout April
Spring PorchFest	May
Movie Nights	Tuesdays, May - June
AdMo Vibe	Wednesdays in August
Fall Porchfest	October/November
Apple Festival	Late October

Our Security Program

Through our Safety Ambassador Program, the Adams Morgan Partnership BID works to ensure that all visitors and residents feel safe in the community. Safety Ambassadors protect the neighborhood by acting as extra “eyes and ears” for the police, maintaining a visible presence on the street, and conducting outreach with vulnerable populations within the community. Our Safety Ambassadors work seven days a week.

Clean Team

Our clean team works 7 days a week, 365 days a year, including holidays and in inclement weather. In 2023 they removed nearly 100 tons of recycling and over 400 tons of rubbish from the neighborhood. In addition to trash collection, they maintain flower beds, remove graffiti and stickers, and water the trees along the street.

Website

Our website, admodc.org features an interactive map of neighborhood businesses, a calendar of events (including community-submitted events), and detailed information about the Adams Morgan Partnership BID including press releases and a newsletter archive.
